

Engineering Camp

June 17-21, 2019
8:30 am - 5:00 pm
Hydrology/Engr Bldg.
Room 115

Attention students
entering 6th-9th grade!

What is an Engineer?

Come learn about
engineering, problem
solving tools,
innovation, and
design.

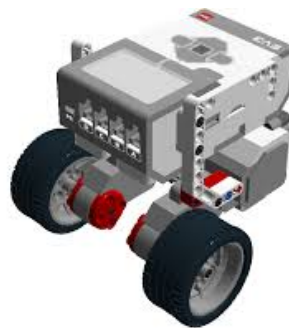

Lego Robotics

Design Projects –
bridges, towers, cars,
rockets and robots

Deconstruction

Cost: \$100/person
Apply Now! Space is
Limited

Learn to apply math,
physics, and
chemistry to solve
engineering problems

We are seeking participants who are **eager to LEARN math, science and engineering!!**
Participation application is required.

Registration:

https://epay.tarleton.edu/C20203_ustores/web/product_detail.jsp?PRODUCTID=949

For **help** registering contact Ms. Amanda (254-968-0518) or Ms. Shelly (254-968-9863)
or email engineering@tarleton.edu

For other info contact Dr. Denise Martinez. dmartinez@tarleton.edu

Engineering Camp Application

This application and registration can be completed online at:

https://epay.tarleton.edu/C20203_ustores/web/classic/product_detail.jsp?PRODUCTID=949

or call Ms. Amanda (254-968-0518) or Ms. Shelly (254-968-9863) to register by phone.

To apply for Engineering camp, please fill in the information below.

Participant Name: _____ t-shirt size: _____

Grade as of Fall 2019: _____ School: _____

Parent/Contact Information:

Parent/Contact Name: _____

Address: _____

Contact phone number: _____ email: _____

Preferred means of contact: email phone

Additional info the camp staff may need? _____

Do you enjoy solving puzzles/problems? yes kind of no

Do you enjoy playing games that are problem solving in nature? yes kind of no

Do you enjoy analyzing how things work? yes kind of no

Do you like to think of new inventions? yes kind of no

Are either of your parents/guardians an engineer, mathematician or scientist?
 yes kind of no

Are you willing to spend the week learning about how math and science are used to solve problems in engineering? yes kind of no

Did a teacher recommend you for this camp? yes kind of no

If yes, teacher name and email: _____

Registration is \$100 per participant.

Payment online is available at:

https://epay.tarleton.edu/C20203_ustores/web/product_detail.jsp?PRODUCTID=949

or call 254-968-0518 or 254-968-9863 to register by phone.

If you need to pay by check or money order, please bring it to the Engineering and Computer Science office, room 114 Hydrology and Engineering building on Tarleton campus (between Dairy Queen and the tennis courts). Please make checks payable to TSU and note the participant's name on the check.

Thank You!

Denise Martinez
